

**Sri G. SIVAPPA.**—The Minister was pleased to say that the Government is against piecemeal introduction of prohibition. But in answer to (b) it is said that Government contemplates to hasten slowly. If they want to hasten slowly in introducing prohibition, is it not necessary that they should introduce prohibition only piecemeal?

**Mr. SPEAKER.**—The reply has been given.

**Dr. A. R. KARISIDDAPPA.**—May I know what is the impediment that has made the Government to go slow in this matter?

**Mr. SPEAKER.**—That has already been answered.

**Sri G. B. SHANKAR RAO.**—Is it a fact that in introducing prohibition in the rest of the areas factors like contiguity of area, etc., will be taken into consideration?

**Sri MOHAMED ALI.**—All the factors will be taken into consideration.

**Sri V. P. DEENADAYALU NAIDU.**—What is the difference between the places where prohibition is introduced and where it is not introduced?

**Sri MOHAMED ALI.**—In the places where prohibition is introduced, consumption of liquors is prohibited and in the places where it has not been introduced the consumption is being allowed.

**Sri V. P. DEENADAYALU NAIDU.**—Is it not a fact that where prohibition is introduced vending of the liquors is almost in every street and where it is not introduced it is in definite places you have restricted?

**Sri MOHAMED ALI.**—That may be the information of the Hon'ble Member.

**ಶ್ರೀ ಬಿ. ಹನುಮಯ್ಯ.**—“Hasten slowly” ಎಂದು ಹೇಳಿದ್ದೀರಿ. ಇದು ಒಂಟಿತ್ತಿನ ಗಾಡಿ ಸ್ವೀಡೋ, ಎರಡೆತ್ತಿನ ಗಾಡಿ ಸ್ವೀಡೋ, ಅಥವಾ ಮೋಟಾರು ಗಾಡಿ ಸ್ವೀಡೋ!

**ಅಧ್ಯಕ್ಷರು.**—ಈ ಪ್ರಶ್ನೆಗೆ ಉತ್ತರ ಕೊಟ್ಟಿದ್ದಾರೆ.

**Sri M. C. NARASIMHAN.**—In order to achieve this objective of hastening slowly, is there any proposal to gradually reduce the production of liquor?

**Sri MOHAMED ALI.**—That is being considered.

### Shifting of Present S. T. Bus Stand at Hubli.

Q.—1529. **Sri F. H. MOHSIN** (Hubli City).—

Will the Government be pleased to state :—

(a) whether they are aware that the present S.T. Bus stand at Hubli is most inconvenient to the public;

(b) whether there is any proposal to shift the same to a site owned by the Basel Mission Association;

(c) whether it is a fact that acquisition proceedings have already been started to secure that site;

(d) the stage at which proceedings now stand;

(e) the extent of area proposed to be acquired;

(f) the time required for shifting the present bus stand to that area;

(g) the cost of acquisition of that site?

A.—**Sri C. M. POONACHA** (Minister for Home Affairs and Industries).—

(a) Yes.

(b) Yes.

(c) Yes.

(d) Award is yet to be declared.

(e) 5 acres 3 guntas 5 sq. yds.

(f) The time required for shifting the Bus Stand cannot be stated at this stage.

(g) Award is awaited.

**Sri F. H. MOHSIN.**—Is there any difficulty to get possession of the site owned by the Basel Mission Association pending award?

**\*Sri C. M. POONACHA.**—There is no such difficulty but the acquisition proceedings are on and we are awaiting the award to be determined by the Acquisition Officer.

**Sri F. H. MOHSIN.**—Does this award include the question of possession also or the amount of compensation to be paid?

**Sri C. M. POONACHA.**—The quantum of compensation to be paid and I may further inform that we have already deposited a sum of Rs. 1,25,000 being the approximate cost of the land with the Collector who is the Acquisition Officer in this respect.

**Sri F. H. MOHSIN.**—On account of the inconvenience caused to the public of the Hubli City, is it not proper for the Government to take possession of the land?

**Sri C. M. POONACHA.**—Probably my Hon'ble friend refers to the application of Emergency clause under the Acquisition Act. No doubt, Government is aware of the inconvenience that is caused to the public at Hubli. We will take all possible action for securing this land. There was some controversy and it was represented that the portion of the land where buildings are standing should be excluded from the area that is proposed to be acquired. Subsequently there has been some further inspection of the site and discussions and the General Manager has sent a report to say that about 4 acres of land may be acquired and that would be sufficient for the purpose of locating the bus stand. With this, finalisation of acquisition proceedings will be hastened.

**Sri K. S. SURYANARAYANA RAO.**—What is the nature of the controversy that held up acquisition for over a year?

**Sri C. M. POONACHA.**—The parties contended that a portion of the land where some buildings stand may be excluded from the area contemplated to be acquired. Therefore some inspection was made and after that there has been a sort of compromise and now they are agreeable to give four acres and that is found to be sufficient?

**Sri G. B. SHANKAR RAO.**—Is it not a fact that on account of the alternative proposals before the Government, the acquisition proceedings were delayed?

**Sri C. M. POONACHA.**—There is no alternative proposal but there is one proposal to acquire this land and erect a bus stand.

9.30 A.M.

**Sri V. P. DEENADAYALU NAIDU.**—Is it permissible under law to make piecemeal acquisition of a property excluding certain portions thereof?

**Sri C. M. POONACHA.**—Certainly. First, the notification will be issued. After that, before finalisation, certain examinations, inspections and investigations are done and after that a final scheme as to the exact area that is to be acquired is determined and the award announced. What is wrong in it?

**ಶ್ರೀ ಬಿ. ಕೆ. ಕಂಬಳಿ.**—ಈಗಿರುವ ಬಸ್ ನಿರ್ವಾಹ ಶುರುವಾಗಿ ಎಷ್ಟು ದಿನವಾಯಿತು?

**ಶ್ರೀ ಸಿ. ಎಂ. ಪೂಣಚ್ಚ.**—ಅದು ಯಾವಾಗ ಪ್ರಾರಂಭವಾಯಿತು ಎಂದು ಹೇಳುವುದಕ್ಕೆ ಸಾಧ್ಯವಿಲ್ಲ. ಬಹಳ ದಿನದಿಂದ ಬಸ್ ಸ್ಟಾಂಡ್ ಇದೆ.

ಶ್ರೀ ಬಿ. ಕೆ. ಕಂಬಳಿ.—ಈಗ ಈ ಬಸ್‌ಸ್ಟಾಂಡು ಕೆರೆ ಅಂಗಳದೊಳಗೆ ಇದ್ದು, ಬಹಳ ಅನಾನುಕೂಲ ಪಾಲಿದೆ ಎಂಬುದು ಗೊತ್ತೇ?

ಶ್ರೀ ಸಿ. ಎಂ. ಪೂನಾಚಾ.—ಹೌದು, ಅದಕ್ಕೆ ಒಂದು ಒಳ್ಳೆಯ ಬಸ್‌ ನಿಲ್ದಾಣಮಾಡಬೇಕೆಂಬುದೇ ಸರ್ಕಾರದ ಉದ್ದೇಶ.

Sri H. V. KOUJALGI.—May I know whether there are any buildings on the site which is to be acquired?

Sri C. M. POONACHA.—That was the point of controversy and the party concerned said that that patch of land may be excluded.

Sri H. V. KOUJALGI.—May I know whether emergency clause can be applied if there are buildings?

Sri C. M. POONACHA.—The emergency cannot be applied if there are buildings.

Sri F. H. MOHSIN.—Are there any representations received from the members of a Housing Society that they want this site for the purpose of constructing some houses?

Sri C. M. POONACHA.—The area is 9 acres and odd. Originally, we thought of acquiring 5 acres and 3 guntas. Later on, we changed our mind and we came down to 4 acres. The remaining portion is available for them to utilise for whatever purpose they want.

Sri F. H. MOHSIN.—Is the Government aware that there is already an award that this site should be reserved for a housing society and that the society has sent it to the Government?

Sri C. M. POONACHA.—I am not aware of it. I will make enquiries.

(b) whether they are getting any subsidy, grant or loan from the Centre under the 2nd Five-Year Plan for upgrading the slaughter houses in Bangalore;

(c) the steps taken in the matter?

A.—Sri R. CHENNIGARAMAIAH (Minister for Local Self-Government).—

(a) Yes.

(b) The matter is under correspondence with the Government of India.

(c) Does not arise in view of reply to clause (b).

Sri V. P. DEENADAYALU NAIDU.—Is not the question of upgrading slaughter houses connected with the development of pharmaceuticals?

Sri R. CHENNIGARAMAIAH.—There was a committee constituted and that committee has recommended the modernisation of the present slaughter houses.

Sri V. P. DEENADAYALU NAIDU.—Certain medicines and drugs can be made from the extracts of animals slaughtered in the slaughter houses. Is it for the development of such drugs and medicines that this upgrading is thought of by the Government of India?

Sri R. CHENNIGARAMAIAH.—I do not know.

Sri V. P. DEENADAYALU NAIDU.—Has the Government at least come to know that for the development of such an industry in Bangalore of all places in India there is every equipment, accommodation and requirement?

Sri R. CHENNIGARAMAIAH.—The Committee which the Hon'ble Member is referring to has recommended certain proposals and one of the proposals is that the present slaughter houses should be modernised. That recommendation has been forwarded to the Central Government for some financial help and we have received a reply that the Central Government is considering them. The final decision is awaited. The Committee has recommended a recurring expenditure of Rs. 14,15,000 after the modernisation of the slaughter houses.
